WWW.IMAGINE-AMERICA.ORG

Tuition assistance for adult students enrolling at career schools is available through the Imagine America Foundation! Non-traditional students choosing to pursue a career education may be eligible to receive a \$1,000 tuition discount to attend a career school participating in the Imagine America Adult Skills Education Program (ASEP).

Students will be notified by email of their final application status. If accepted by the college, the student will be given instructions on how to download their certificate. The recipient will be directed to bring this to the college for processing of the \$1,000 tuition discount.
