

## FORD AUTO TECH SCHOLARSHIP 2026

# \$4M

## IN SCHOLARSHIPS TO GIVE AWAY

TechForce Foundation helps students to and through their career as techs. We are working with **Ford Philanthropy** and **Ford Dealers** to welcome the next generation of auto technicians by awarding \$5,000 tuition scholarships to students pursuing careers in auto and auto/diesel technology. This need-based scholarship is applied to a student's school tuition account and may be used for all cost of attendance, including tuition, tools, living expenses and transportation.

APPLY BY SEPTEMBER 30, 2026

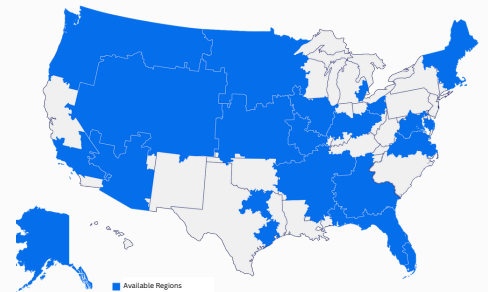

Visit [techforce.org/fordphilanthropy](https://techforce.org/fordphilanthropy) for more information and to apply.

To apply, you must create a free TechForce profile and then complete the general scholarship application. Please note that scholarships are reviewed and awarded on a rolling basis.

## ELIGIBILITY

Any individual (high school graduates, career-changing adults, veterans, etc.) pursuing a degree or certificate in automotive technology (including diesel).

## WHO CAN APPLY?

- Be a U.S. citizen, permanent resident.
- Enrolled auto/diesel student in good standing at an eligible post-secondary institution.
- Needs based scholarship. Students must have a completed FAFSA form.
