Annual Security Report

2026

Porter and Chester Institute

Porter and Chester Institute of Hamden

Management of the school will monitor the effectiveness of the policies included on an annual basis and make any necessary modifications at that time. The PCI Course Catalog is a supplement of the Annual Security Report.

INSTITUTIONAL SECURITY POLICIES AND CRIME STATISTICS

Porter and Chester Institute (PCI) prepares this report to comply with the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This report is prepared in cooperation with the local law enforcement agencies.

The policy statements address the school's policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years' worth of statistics are included for certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus.

Notification of annual security reporting:

Annually an alert notification is made to all enrolled students, faculty and staff which provides the website location to access the newly released report. Prospective students may access the report via the porterchester.edu website or if preferred, request a paper copy from the Career Program Specialist. All prospective employees may obtain an electronic copy from the porterchester.edu website or if preferred, request a paper copy from the Campus Support Human Resource Department. The website address is also attached to all employment applications.

Reporting crimes and other emergencies:

Porter and Chester Institute encourages anyone who is the victim or witness to any crime or emergency to promptly report the incident. Depending on the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality. All reports will be investigated.

Inside the building: report all incidents to any surrounding campus personnel located near the incident. If none are available, contact the front desk for assistance.

Any suspicious activity or person seen in the parking lots or loitering around vehicles, inside buildings or around entryways should be reported to campus personnel.

Immediate, non-immediate, and emergency on-campus incidents should be reported to the Campus Director of Operations and Education. For all off-campus incidents, dial 9-1-1 and contact the corresponding emergency services.

Crimes involving student organizations at off-campus locations:

Porter and Chester Institute does not have any recognized student organizations with off-campus locations.

Building access:

During business hours, Porter and Chester Institute will be open to students, employees, contractors, guests, and invitees. All visitors must report to the front desk for admittance to the building.

During non-business hours and holidays, access to the facilities is by authorized personnel only.

Definitions of geographic areas:

On-Campus: *(1) Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and (2) Any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).* ***Any on-campus buildings would be the school itself. Porter and Chester Institute does not have residence halls.***

Non-Campus:*(1) Any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) Any building or p*roperty owned or controlled *by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.* ***PCI does not own or control any non-campus buildings or property and has no officially recognized student organizations with non-campus locations. Therefore the "Non-Campus" category is not applicable.***

Public Property: *all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus.*

Campus law enforcement:

Porter and Chester Institute personnel have the authority to ask persons for identification and to determine whether individuals have lawful business at Porter and Chester Institute. PCI does not employ police or safety and security officers. Criminal incidents are referred to the local police who have jurisdiction on the campus. All crime victims and witnesses are strongly encouraged to immediately report crimes to campus personnel and the appropriate police agency. Prompt reporting will assure timely warning notice on-campus and timely disclosure of crime statistics.

Programs designed to inform students and employees about campus security procedures:

The common theme of all awareness and prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

Publications regarding policies on alcohol and drug use, campus security procedures and crime prevention awareness are distributed to new students, and employees in their orientation package.

Timely warnings/ Disseminating Emergency Information

In the event of an emergency, or when a serious criminal incident has occurred – especially in situations that could pose an immediate threat to community and individuals – the Campus Director, Operations and Education will use appropriate channels to notify the PCI community and a campus wide “timely warning” using the RAVE alert system will be issued.

Emergency Notification & Timely Warning

PCI uses the RAVE Alert system to issue emergency notifications and timely warnings when a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurs on campus.

The RAVE Alert system is tested at least once each calendar year to evaluate emergency response and evacuation procedures and ensure messages can be delivered to the PCI community.

Emergency response and evacuation procedures:

Each room has specific evacuation plans to exit the building and a quick reference emergency card. Porter and Chester Institute conducts at least one annual emergency evacuation drill each year. Tests and drills may be announced or unannounced.

Campus personnel have received training in emergency response guidelines and in responding to critical incidents on campus. Depending on the incident, other local, state, or federal authorities may also be involved. All incidents are required to be reported to Porter and Chester Institute. Porter and Chester Institute has the responsibility of responding to and investigating all incidents to determine if additional authorities should be involved.
